Ohlrichs & Friends COMMERCIAL MAN'S *Bull Sale*

Monday, February 5, 2024

1:30 p.m. at the OHL Ranch | Norfolk, NE

WELCOME to our 17th annual Ohlrichs & Friends Annual Bull Sale. It is with great pleasure again to welcome Mark & Deb Core, Jared & Bailey Boyert, Joe & Sydney Herr and Levi Flitsch to the sale. Their quality of livestock and dedication to the livestock industry is second to none.

The bulls in this offering are backed by several generations of cattle business leading cow families of several different breeds. We truly believe that we have improved the quality of the bulls both genetically and physically every year. We continue to try and stay on top of new genetics as well. Our goal is to keep our program moving forward as well as yours. We focus on raising cattle that are profitable for all markets.

Yes, we are still in a drought stricken area but we know that we are not the ones in control. Our faith will get us through it. We will continue on by raising better stock. We are all in the beef business, no matter what breed we choose.

Again we are grateful and truly appreciate and thank all our friends that have helped us prepare for this sale. You all are invaluable. To you our customers, your business and friendship mean the world to us.

Feel free to call anytime and talk cattle. We wish you ALL a healthy and prosperous and Blessed 2024!

****We are offering \$100 per head off of each lot if you take them home on sale day!

OHL-CORE LOG ON 7263L

03.18.2023 \ ID 7263 \ Polled \ Black \ Angus

SIRE: STAG GOOD TIMES 201 ET (AAA 19923328)
SCC SCH 24 KARAT 838
SCC PHYLLIS 6104

DAM: LAZY H BAR FOREVER LADY 793 (AAA 18827044)
PLUM CREEK REFRESH 561A
LAZY H BAR FOREVER LADY 317

There is no question that great bulls sire great cattle and great females produce great off spring. That is totally the case on both sides of the coin right here. Good Times has done an outstanding job for us and this bull's dam never misses and is bred to never miss...Refresh/5001. This female also had our high selling bull a couple of years ago that sold to Canada. We have to say that this bull literally has all the bells and whistles. Simply put, he has the WOW factor from front to rear. He alone is worth the drive to Norfolk, NE. Truly quite the specimen. Movement, feet, body, cool looking, performance and maternal. Purebred breeders and commercial cattlemen, this bull is special.

BW: 86 lbs. / AWW: 613 lbs.

DAM: OHL FIRST KISS 8219 (AAA 19590490)
OHL REVELATION 0187B
CHERRY KNOLL LVS DORENE 1503

A few years back we raised and sold a bull that topped our sale called OHL Revelation. We liked him so much that two years later we bought half of him back. Revelation mixed with Good Times was a win, win combination. Performance, maternal, great feet and awesome structure. He is smooth made but lacks nothing in terms of power and muscle. He has all the look to go along with it. Whether you want to make females or bulls of your own, this bull is just the ticket.

BW: 81 lbs. / AWW: 679 lbs.

DAM: LORETTA 0007 OF TRIP (AAA 19855737)
CONLEY EXPRESS 7211
AC MISS LORETTA 701

Our Express sired daughters have way exceeded our expectations. His dam, we purchased as a first calf heifer from Justin Mock in South Dakota. She goes back to his really good Loretta cow. This female has not missed raising one for us, in that they have all made our sales, bull or heifer. Love the performance, the maternal power and how athletic he is. All this comes together in an attractive package. Without question he checks ALL the boxes. A bonus, this bull would be a great choice to use on heifers. He is calving ease.

BW: 73 lbs. / AWW: 706 lbs.

CORE CADDIE SHACK 175L

01.02.2023 \ ID 175 \ Polled \ Black \ Angus

[04]

SIRE: KR CADILLAC RANCH (AAA 18875651)
KR PRIDE 4031

DAM: CORE MISS RUTH 175J
EXAR BLUE CHIP 1877B
KDJ QUEEN RUTH 502

All three of the Core Farms Angus bulls have a big time cow in their background. This KR Cadillac Ranch son goes back to the great Queen Ruth 502 cow that has generated an incredible amount of revenue and host of champions for Udells. His mom did an awesome job as first calf heifer and will definitely play a significant role in our breeding program moving forward. Caddy Shack 175L was an eye catcher the entire summer and fall. Balance, power, soundness and a profile to kill for this rascal will work in a variety of programs. 10.22.2023 weight of 884 lbs. BW: 87 lbs.

[05]

CORE CAVALIER 159L

01.02.2023 \ ID 159 \ Polled \ Black \ Angus

SIRE: B & J CAVALIER (AAA 19216961)
LD CAPITALIST 316
B & J ENCHANTRESS 6681

DAM: CORE MISS 159J

DAMERON BEST IN CLASS
WB LUCY 4033

The granddam of CORE Cavalier 159L is a full sister to Ward Brothers Pendelton bull. You do not have to study the breed very hard to see the impact that Lucy 4033 has had on Wards program and the Angus breed in general. An impressive product of a first calf heifer this Cavalier son has what it takes to make generational difference in your herd. Love his size, length, soundness - a great combination of look and real world production traits. Cavalier, this bulls sire, was selected by Genex to add to their calving ease sire group. Buy with confidence! 10.22.2023 weight of 808 lbs.

BW: 80 lbs.

CORE ANNIE LU CASINO 209L

03.20.2023 \ ID 209 \ Polled \ Black \ Angus

[06]

SIRE: KR CASINO 6243 (AAA 18624063)
CFCC BLACK JACK 001
MALSONS SAVANNAH 27Y

DAM: PLUM CREEK ANNIE LU 4472 (AAA 17942005)
GAMBLES HOT ROD
S H MISS ANNIE LU 6087

CORE Annie Lu's Casino 209L may be one of the most impressive bulls to sell this year. Let's start with the genotype of this creature. He is out of one of the hottest cows of the breed - Plum Creek Annie Lu 4472. Her offspring over the past few years have hung a pile of banners across the country but perhaps as intriguing is that being a Casino this guy is a full brother to Leo Kruse's Plum Creek Annie Lu 9271 the mother of the Iowa State Fair 2023 Supreme Champion Female as well as the heifer that Curtains are successfully campaigning this year. Now his phenotype. Annie Lu is known to stamp them with soundness and this guy is fully reflective of that quality. Big solid feet are a plus in commercial as well as purebred operations, he brings that to the plate. Combine that with his body, balance and proportional power you have got the look and function that we all are chasing with genetic consistency that takes the risk out of the buying decision. 10.22.2023 weight of 682 lbs.

BW: 90 lbs.

[07]

OHL LUCKY FOR YOU 0282L

09.06.2022 \ ID 0282 \ Polled \ Black \ Angus

If you are in the need of a little older calving ease bull to cover your heifers or more cows, do not let this one slip through the cracks. A calving ease bull that is still a power house. His dam is a First Class daughter that has a very bright future here.

BW: 80 lbs. / AWW: Fall Born

SIRE: UDE SURVEILLANCE 240G (AAA 20522513)
PVF SURVEILLANCE 4192

DPL SANDY 3040

DAM: OHL ANGEL DUST 417-5 (AAA 18076539)
PLAINVIEW LUTTON E102
OHL ANGEL 7171

Our 417-5 cow is a fifth generation daughter of our Angus cows (going back to our Heaven cow). This cow, her full sisters and full brothers have all been some of our sale toppers. Better yet, they have all went on and out produced themselves. This Edge sired bull is proof of that. He has got the power, extra muscle shape, boldness of rib and big feet. And yes, he is good looking. You want to make bulls or females, we would mark this guy pretty high on the list.

BW: 88 lbs. / AWW: 652 lbs.

[09]

OHL LIVELYHOOD 0297L

03.16.2023 \ ID 0297 \ Polled \ Black \ Angus

FCF PROVEN QUEEN 419

DAM: EXAR BLUE CHIP 1877B
LAZY H BAR FOREVER LADY 477 (AAA 17937303)
LAZY H BAR FOREVER LADY 5001

When a mating works and continues to hit, we do it all over again. The dam to this bull does her job every year, no matter what breed we do mate her to. She also has a natural sired bull by Triumph in this sale that speaks for himself. The 4210 cow (her ranch tag) is a Blue Chip/5001. Bulls or females, this cow successfully makes them. This bull came in a little greener off of a cooperative herd but literally has done two 360's since weaning. He will make females deluxe and still not give up performance. This bull is genetically special.

BW: 84 lbs. / AWW: ET

DAM: MR HOC BROKER
COWAN'S DOODLE BUG 203D (ASA 3231660)
203U

Our Doodle Bug cow is another one of those females that flat out works and is so consistant. Justice, like his brother Triumph puts a lot of power in his calves. This bull is so long bodied and with that comes extra weight. We love his powerful hip and how smooth made he is. Last year we kept a group of ET heifers out of Doodle Bug that will calve this spring, without a doubt we would recommend keeping a set of females out of this guy. This one has all the ability of taking a program to the next level.

BW: 92 lbs. / AWW: 783 lbs.

OHL LINCOLN 7248L

03.15.2023 \ ID 7248 \ Polled \ Black \ PB SM \ ASA# 4305540

A couple of years ago we purchased two full brothers, Justice and Triumph. They are Vision 20/20 sons out of a Profit dam. We are going to tell you that they have exceeded our expectations. This bull is a massive beast in every way shape and form. Like his dam, he has extra body, plenty of power and awesome structured. It is going to be a great deal of fun to run him across the scale before the sale to see what he does weigh and how good he has gained. They do not make purebred simmys as soggy and as stout as this one everyday. No kidding, he is worth the drive to Norfolk to see. He will keep any cow herd profitable. Beef is his business.

BW: 89 lbs. / AWW: 810 lbs.

This bull might be a little younger but wow, what a set of females he would make. His dam was our Cool Whip cow that goes back quite a few years. Wish we still had her. Reality is, Cool Whip was ahead of her time back then and is right for the times now. This bull is so much beyond a female maker. Combined with Steel Force you will not back off on the performance end either. Just wish he was a little older to compare him to some of the other bulls in the sale to truly appreciate him. Buy with confidence.

NMR MATERNAL MADE
OHL TICKLED PINK 8135U

Honestly we wish we were the ones that thought we should mate this cow this way, but we were not. But, in our defense, we raised his dam and his sire and yes it did click very well. His dam is a Maternal Made/ Ali/ Meyer. His granddam was a donor cow here at OHL. His sire is sired by a Password/First Class which she also is another donor for us. When our friend Dave was selling his cows we bought her back and are sure glad we did. This bull has maternal written all over him. He is just a little younger, but for his age it is going to be fun to put him across the scale before the sale. There is performance in this bull with all the extras. He is athletic in his structure, easy keeping and built as good as you can ask for.

DAM: MR TR BOTTOMS UP 4423B
OHL DA MYSTERY 6192D (ASA 3354055)
SANDEEN LADY 114

Here is the beef and he is chunked full of it from end to end. His dam is no stranger to raising the good ones. She produced our high selling bull a couple years back. This bull is easy fleshing, lots of body and has the extra power to go with it. He is smooth made and long fronted. Not only will he add pounds to a calf crop, his heifer calves would be an incredible set of baldies that you could name your price on.

BW: 90 lbs. / AWW: 790 lbs.

FRICTION
OHL MAINE ANJOU 4101

Patriot absolutely rocked it for us this year, siring both bulls and females. That includes our two high selling females in our fall sale. The 3215 cow will probably have to be retired after this year. As we were hoping for this bull to be a female, we are going to calve her again this spring and maybe she will have a heifer that will certainly stay in our herd. A real package deal, this bull has it - body, power, performance, maternal and a cool look all in one. We would have him in our Denver pen of 3 bulls but he is only a 1/4 Simmy. That being said, good cattle are good cattle.

BW: 91 lbs. / AWW: 664 lbs.

DAM: OHL CASHMERE 562C (ASA 3086965)
F A ROSE 925

This bull comes out of a great cow family that has been around for several generations. If you need to put a little extra growth in your calf crop and not sacrifice the maternal, this bull would be the ticket. Long spined and powerful yet still really smooth made. Really sound in terms of structure. He is definitely built for the long haul.

BW: 95 lbs. / AWW: 734 lbs.

OHL LARADO 7267L

04.14.2023 \ ID 7267 \ Polled \ BWF \ 3/4 SM & 4.1% Chi \ ASA# 4305543

Put this bull on a set of Angus females and what a combination you would have. He has the extra growth and still has the power with muscle and depth of body. Honestly, no matter what breed of cows you have, this bull will give you a big return on your investment.

BW: 93 lbs. / AWW: 790 lbs.

Our Friend cow has been around quite some time, she will be 12-years-old this spring. She is just one of those we call reliable and a cornerstone dam. These two bulls are just about identical. They are powerful hipped, long bodied, and awesome in their structure. They are built for the long haul and will put extra pounds in your calf crops. The On The Mark females have been great milkers. Keep the heifer calves out of these bulls and expect to have a tremendous set of replacements. We cannot say enough good about this cows performance and quality of calves she has produced. Also have to mention that she was a past banner winner at Louisville as a bred.

MR TR HAMMER 308A

REMINGTON KAITI 314W

Extra stout black baldy bull that always gives you a great look with tons of presence. The Good As It Gets genetics are in hot demand and it is easy to see why with the quality this bull has to offer. When this bull's heifer calves are for sale, Levi wants the first phone call to tell him where to back the trailer up to. This bull's mother is known around Flitsch Cattle as Midnight. This is Midnight's first set of embryo calves to sell in the fall of 2023 and spring of 2024. A full sib heifer to this bull commanded \$15,500 and a Here I Am steer fetching \$27,500 this last fall. If you are looking for a bull to raise high quality stock and performance, take a close look.

BW: 85 lbs. / AWW: 691 lbs.

DAM: OHL JAMBOREE 1217J (ASA3977148)
RUBY'S CURRENCY 7134E
STORMY 5217

We used Fair Game on our first calf heifers the last couple years and it really did not matter what breed we used him on, he just worked. Reality is, best of both worlds here, his dam is a Currency/Broker (Stormy donor) and his sire is a Primo/Chiangus. This bull is built for the long haul with his maternal makeup and structure. From the ground up he is built right and has the right muscle shape and an extra cool look that he gives you. He will grab your attention every-time you walk into the pen.

BW: 82 lbs. / AWW: 743 lbs.

SANDEEN LADY 114

Icon has worked very well in our herd for the last three years. The dam to this bull has not missed producing a bull that has gone to Denver, OKC or selling in our bull sale. This bull is extremely long bodied, has length and power in his quarter with a big powerful hip. With that he is smooth shouldered and really good structured all the way to the ground. We can see this bull doing an incredible job on a set of Angus females making baldies that would be highly sought after. This bull is a real stud.

BW: 90 lbs. / AWW: 656 lbs.

DAM: SCM BCII BAILEY E801 (ASA3291108)
COPPER CRK LUTTON LADY

7801 cow has been a great producer for us, over the years she consistently has made cattle with the extras but still can last in production. This half blood son is no exception - practical, good haired, stout and sound. This bull has a ton of use. His mother has raised both steers and heifers over the years that have went on to be high sellers. Do not overlook this bull, we like him a lot.

BW: 80 lbs. / AWW: 581 lbs.

66

OHL LIFE LINE 7190L

02.23.2023 \ ID 7190 \ Horned \ White \ Crossbred

From day one this bull has hit the ground running in terms of performance and has never looked back. Another bonus to go along with him is the maternal that his dam passes along. This bull is simply a beast in every way shape and form. Awesome at the ground and in his structure. With his power and maternal, he is a commercial mans dream bull! Turn him out with your cows, let him go to work and he will pay for himself real fast.

BW: 88 lbs. / AWW: 757 lbs.
